

2025 GRADUATION SEASON

PARKING & ACCESS FOR BMO CENTRE AT STAMPEDE PARK

Traffic and pedestrian detours are in place to facilitate construction on several major city-building projects in Calgary's emerging Culture + Entertainment District.

A significant detour will be in place in Spring 2025, impacting guest arrival to Stampede Park and the BMO Centre:

- The intersection of 14 Ave and Stampede Trail S.E. will be closed.
- Detours are in place via 5A Street S.E. – follow traffic signage and flag people.

HERE ARE SOME TIPS FOR GETTING TO THE BMO CENTRE:

- Give yourself extra time to get to your event and follow detour signage and flag people.
- Enter the area from the south via 25 Ave S.E., or use the new 17th Avenue Extension, where construction is less impactful.
- Park in Lots 10 and 11 on the north side of Stampede Park off 12 Ave S.E.
- Take Calgary Transit to avoid traffic and parking delays. It's a short walk from the newly re-built Victoria Park/ Stampede LRT station to the BMO Centre.
- Use the Culture + Entertainment District Access Map for the most up to date impacts to roads, sidewalks and intersections: <https://www.cedistrict.com/access-map>

Parking at the Calgary Stampede is now managed by Calgary Parking. We are excited to provide a seamless parking experience for all guests and clients. The ParkPlus system offers convenient payment options designed to make your visit easier than ever:

MYPARKING APP: Pay quickly and effortlessly using your smartphone. Download the free app today

VIRTUAL PAY MACHINE: Visit vpm.parkplus.ca to pay online from your device.

ON-SITE PAY MACHINES: Pay at one of the machines located throughout Stampede Park.
