Nose Hill with Elder

The Outdoor Pursuits and Indigenous Studies classes recently enjoyed a crisp morning field trip to work with Elder Saa'kokoto, who is a prominent Blackfoot (Kainai) Elder from the Blackfoot Nation. Elder Saa'kokoto shared teachings with the students about the significance of Winter Solstice and the importance of a Blackfoot value called 'Kakyosin,' which refers to being observant and aware.

NTHS Sings Anthem at Hitmen Game

It's not every day that your first choir performance would be in front of thousands of Calgarians, and yet, that is exactly what occurred with our Nighthawks choir this past Sunday. The choir was given the opportunity to perform the Canadian National Anthem at Sunday's Hitmen game. And not just any Hitmen game - it was the Teddy Bear Toss game!

On the Move with NTHS' Dance Team

Last Thursday, Ms. Garden took many of our dancers at North Trail to ***Decidedly Jazz Danceworks*** for a day of workshops and working with the company dancers to get a behind the scenes look at what being a professional dancer looks like and to see the works-in-progress for their January production of "Olio." The students all had such an amazing day and left with a one of a kind experience.

Nighthawks Robotics

It has been quite an exciting journey for our kiddos in NightHawks Robotics. So far, we've had 2 tournaments, and 1 more to come next Saturday at JCS. We are currently ranked #16 in the Southern Alberta League with over 50 teams from different schools. We have had our highs and lows, but our team spirit is definitely showing in all of our competitions.

Nighthawk Athletics

To further celebrate our students, this weekend was the first tournament for our Jr. Boys Basketball team. It was a weekend of success and learning. Our team is building a strong foundation for the season. In our first game we beat McNally 61-58, and ended getting Bronze by beating Pearson. For those that know high school basketball, it is difficult to win, let alone beating each host team in their own gym.
